
Coming Soon – New resources to help you sign up for Electronic Funds Transfer (EFT)

Prestige Health Choice encourages its providers to sign up for EFT by enrolling with Change Healthcare if they haven't done so already.

Why?

- Prompt, easy, secure payments.
- Saves on administrative costs¹.
- Eliminates the need to go to the bank or use mobile deposit to deposit checks.
- Allows you to view and print remittance advices online.
- Enables you to work with multiple payers in one easy-to-use application.

In the coming weeks, Prestige Health Choice will be making new, comprehensive resources available to you that will make signing up for EFT easier than ever. Our new resources will include a newly designed EFT web section on our website, featuring:

- Step-by-step EFT Enrollment Guide.
- Comprehensive EFT Frequently Asked Questions.
- EFT Forms section – all the forms you need to manage or change your EFT enrollment will be easily accessible.
- Live EFT Training Webinars.

Additionally, our upcoming notices will provide additional information that will focus on common questions such as:

- What kind of verification documents do you need to enroll?
- What is a trading partner number?
- How do you manage your Electronic Remittance Advice (ERA)?
- How do you reconcile your EFTs with your ERAs?
- How do you confirm that your EFTs are going to your designated account at the correct financial institution?

Look for these important updates in the upcoming weeks! Don't want to wait? Please contact your account executive for prompt support!
