## Hospice Prior Authorization Requirements

**Summary: Prestige Health Choice would like to clarify current authorization requirements for hospice providers and hospice related services.**

Revenue code 658 for hospice room and board services furnished in a nursing facility, skilled nursing facility or nursing home where the recipient resides is the only hospice related service that requires authorization. Please refer to the Prestige Health Choice prior authorization webpage at [www.prestigehealthchoice.com/provider/resources/prior-authorization.aspx](http://www.prestigehealthchoice.com/provider/resources/prior-authorization.aspx) for the most current authorization information and forms for all services.

If you have any questions, please contact Prestige Health Choice Provider Services at **1-800-617-5727**.
